

#### TOMORROW'S CONNECTION TODAY

Designing a new future for manufacturing, quality and supply chain leaders

# **PROGRAM · DAY 1**

**SEPTEMBER 20, 2022** 

\* JOIN US FOR THE PRE-EVENT HAPPY HOUR ON SEPTEMBER 19TH, 2022 FROM 6:10 PM - 7:10 PM EST

7:00 am - 7:55 am EST

#### **DELEGATE REGISTRATION AND NETWORKING BREAKFAST**

8:00 am - 8:10 am EST

## **CHAIR'S WELCOME AND OPENING REMARKS**

#### **EXTERNAL MANUFACTURING**

#### **EXTERNAL QUALITY**

#### **EXTERNAL SUPPLY**

CEDRIC DUBOIS

Head, Biologics External Manufacturing Sanofi

FRANCIS DUMONT

Senior Director, External Drug Product Supply Strategy Pfizer

KRIS HALL

Procurement Lead, External Supply Operations Americas Novartis

8:10 am - 8:45 am EST

#### **OPENING KEYNOTE**

#### **KEVIN COOK**

VP and Head, Supply Chain, Demand Planning and Customer Service Sandoz, a Novartis Division

# TRUST, RELATIONSHIPS AND DATA: IMPORTANT CONSIDERATIONS FOR SUPPLIER INTEGRATION BOTH UPSTREAM AND DOWNSTREAM

- What is the new value driver in outsourcing?
- Examining some of the unique challenges brought about by the pandemic
- Better integrating CDMOs/CMOs into your network
- Keys to building trust and relationships
- Achieving deeper levels of supply chain transparency both upstream and downstream

#### **PLENARY**

#### RAMESH PANCHAGNULA, PH.D.

Managing Director Nektar Therapeutics India Pvt Ltd

#### LEADING INTERNAL AND EXTERNAL TEAMS TO SUCCESS ACROSS A GLOBAL MANUFACTURING NETWORK

- Developing a winning team of external manufacturing, quality and supply chain experts
- Best techniques for collaborating with expert teams to develop, launch and supply therapies
- Ensuring quality oversight in contract manufacturing and outsourced activities
- Building external expertise and capabilities
- Sourcing and selecting partners with technical capabilities and mutually aligned goals
- Case studies of outsourcing success

9:20 am - 9:55 am EST

#### **PLENARY**

#### SHABBIR DAHOD

President and Chief Executive Officer

# DIGITALIZING SUPPLIER MANAGEMENT OPERATIONS TO IMPROVE VISIBILITY AND COLLABORATION WITH CMOS AND DIRECT SUPPLIERS

- What key challenges drive supplier management leaders to digital transformation in the pharmaceutical industry?
- Achieving more agility with CMOs and direct suppliers
- Linking systems, processes, people and enterprises into a collective information network to support intelligent business execution
- Improving visibility and collaboration in supplier management operations
- How a digital network platform enables data sharing with a network of CMOs/suppliers through a single link
- Enabling supplier management teams to engage CMOs/suppliers through collaborative work management

10:00 am - 11:40 am EST

REFRESHMENTS, NETWORKING, AND PRE-ARRANGED 1-2-1 MEETINGS

## SESSIONS

#### **EXTERNAL MANUFACTURING**

#### SIÂN JONES-MACPHAIL

Director, Contract Development and Manufacturing Ameen

# SCALE-UP AND TECH TRANSFER BEST PRACTICES

- Keys to executing a successful technology transfer
- Discussing the importance of synergy with contractors
- Utilizing good communication to drive project success
- Develop long-term strategies and product timelines
- Reviewing the tech transfer success with Amgen's Synthetic DS portfolio
- Enabling quick and seamless technology transfers

#### **EXTERNAL QUALITY**

#### JAYE GREENE

Director, Quality and Process Optimization Rx-360

#### DAVID CADY

Senior Director, Strategic Sourcing TCR<sup>2</sup> Therapeutics Inc.

# ACHIEVING SUPPLIER QUALITY EXCELLENCE

- What are key considerations for supplier auditing?
- Ensuring audit readiness
- Best practices for audits of material and service providers
- Tools and techniques for enhancing audit programs

#### **EXTERNAL SUPPLY**

#### LUIZ ALBERTO BARBERINI

Head, External Manufacturing, Latin America Bayer

# LEVERAGING TECHNOLOGY TO OPTIMIZE SUPPLY CHAIN VISIBILITY AND ENHANCE SERVICE LEVELS

- What does the Strategy House look like within the global supply chain at Bayer Consumer Care?
- Overcoming external network operations amidst widespread supply chain challenges posed by COVID-19
- Navigating the complexities from supplier to customer in challenging geographical environments
- Case study: How do some of the complexities operating in South America vary from other regions
- Optimizing pharmaceutical and biotech supply chains relationships for the next generation

12:25 pm - 1:00 pm EST

#### **WORKSHOPS**

#### **EXTERNAL MANUFACTURING**

#### AMY MANNING

Head, Commissioning, Qualification and Validation
FUIIFILM Diosynth Biotechnologies

# FUJIFILM DIOSYNTH BIOTECHNOLOGIES: A PARTNER FOR LIFE, TODAY AND BEYOND

- Building the largest end-to-end biopharmaceutical manufacturing facility in North America
- Implementing highly automated operational processes
- Cloning established operational and business processes used at our sister site
- Providing end-to-end manufacturing in a single facility
- Providing clients with supply chain efficiencies, and consistent high-quality results

#### **EXTERNAL QUALITY**

2 Basetwo

#### HAIDER KAMAL

Senior Process Specialist Basetwo Al

#### KIEFER EATON

Head, Product Basetwo Al

#### UNLOCKING PHARMA 4.0: MODEL-BASED OPTIMIZATION OF PHARMACEUTICAL PROCESS DEVELOPMENT AND MANUFACTURING USING COLLABORATIVE AI

- What's stopping manufacturers from unlocking the full potential of their data?
- Exploring how process modeling and data scientists can easily collaborate and empower engineering endusers with modern software solutions
- Examining how hybrid modeling approaches can allow manufacturers to expedite process scale-up and tech transfer
- Fostering intelligent manufacturing collaboration and lifecycle management across the organization
- Building and sharing libraries of process models

<sup>™</sup> View More

### **EXTERNAL SUPPLY**

#### AMY TROTCH

Business Development Director, Commercial/Technical Transfer Societal™ CDMO

# 80/20 RISK MITIGATOR: A SMART APPROACH TO PREPAREDNESS

- Discussing global supply chain vulnerabilities and the COVID-19 era
- The value and misconceptions of secondary sourcing
- Achieving more significant risk mitigation via a backup supply model
- Saving time and cost while ensuring supply continuity

available: 🝽 Vide

#### **LUNCH & LEARN ROUNDTABLE DISCUSSIONS**

Benefit from additional learning by joining a moderated roundtable discussion on pressing issues in the industry. Registration is required, and attendance is limited. Choose from:

**DANA TOOPS** 

President Avéma Pharma Solutions

BENEFITS OF INTEGRATED SMALL-VOLUME MANUFACTURING CAPABILITIES

#### GREGORY SLACK, PH.D.

Senior Director, Scientific Technical Services Boston Analytical

CONSIDERATIONS WHEN SELECTING AN OUTSOURCED TESTING ORGANIZATION PARTNER FOR ANALYTICAL, MICROBIOLOGY AND STABILITY TESTING SUPPORT

#### KURT HOEPRICH

VP and Global Head, Strategic Partnerships

OPTIMIZING CDMO-SPONSOR COLLABORATIONS TO ACCELERATE SPECIAL DESIGNATION

#### ALESSANDRO AGOSTI

Senior Director, Scientific Operations Olon Ricerca Bioscience

TECHNIQUES FOR SELECTING A HIGHLY RELIABLE PARTNER FOR THE DEVELOPMENT AND PRODUCTION OF ACTIVE PHARMACEUTICAL INGREDIENTS (APIS)

#### ANDREW MORBEY

Associate Director, Process Development PCI Pharma Services

ENSURING SCALABLE, REPRODUCIBLE AND COMMERCIALLY ROBUST STERILE FILL-FINISH AND LYOPHILIZATION MANUFACTURING

#### CORBETT FRENCH

Laboratory Director Nova Biologicals, A Tentamus Company

UTILIZING A RISK-BASED APPROACH TO QUALITY AND SELECTING A THIRD-PARTY LAB

#### TIMO TAGHIZADEH. PH.D.

Head, Marketing and Business Development tesa Labtec

IMPORTANT TOOLS FOR THE COLLABORATION BETWEEN SPONSORS AND CDMOS

#### ASHLEY WENTWORTH

Senior Director, Vault Quality Veeva Systems

MODERNIZING QUALITY BY IMPROVING COLLABORATION WITH YOUR CUSTOMERS AND PARTNERS

2:10 pm - 2:45 pm EST

#### **SESSIONS**

#### **EXTERNAL MANUFACTURING**

#### sanofi

#### CEDRIC DUBOIS

Head, Biologics External Manufacturing Sanofi

# LEADING INTERNAL AND EXTERNAL TEAM SUCCESS ACROSS A GLOBAL MANUFACTURING NETWORK

- Best techniques for collaborating with expert teams to develop, launch and supply biologics therapies
- Developing a winning team of external manufacturing, quality and supply chain experts
- Sourcing and selecting partners with technical capabilities and mutually aligned goals
- Case studies of outsourcing success at Sanofi Genzyme

available: Video

#### **EXTERNAL QUALITY**

#### MARIA AVOUJAGELI

Head, External Quality, Americas GSK

# ENSURING QUALITY IN THE MANAGEMENT OF OUTSOURCED ACTIVITIES

- Exploring the historical role of quality and what's needed to be successful in the future
- Establishing and sustaining a quality culture with partners in your network
- Best techniques for establishing Quality Agreements with contract manufacturers
- Enhancing Quality System compliance oversight
- Conducting quality audits during technical transfers
- Driving modern-day quality thinking and approaches to stay current and compliant

<sup>™</sup> View More

## **EXTERNAL SUPPLY**

## PREM RAMIYA, PH.D.

SVP, Manufacturing and Supply Chain Aurinia Pharmaceuticals Inc.

# BUILDING A LEAN, EFFICIENT AND ROBUST OUTSOURCED SUPPLY CHAIN

- Developing a network of worldwide vendors, contract suppliers and CMOs
- Best practices for selecting partners for starting materials, APIs and drug products
- The keys to outsourced supply chain management
- Helping contract suppliers and CMOs consistently achieve outstanding results

available: 🗪 Video

#### **WORKSHOPS**

#### **EXTERNAL MANUFACTURING**

#### MARY LOU GLOTZBACH

Director, Business Development Grand River Aseptic Manufacturing

# LESSONS LEARNED FROM COVID-19: SUCCESSES, CHANGES AND OPPORTUNITIES FOR IMPROVEMENT IN THE OUTSOURCING LANDSCAPE

- Exploring how companies responded to the COVID-19 crisis and their outcomes
- What changed regarding supply, manufacturing, quality, collaboration/partnering, outsourcing, R&D, etc.?
- What were some of the industry's biggest successes in responding to the crisis?
- What can we do to be prepared for or mitigate the risk of future disruption?

<sup>™</sup> View More

#### **EXTERNAL QUALITY**

#### RAGHVENDRA SAHAI, PH.D.

Founder and CEO
ARL-EuTech, A Tentamus Company

# HOW AND WHEN EXTRACTABLE/LEACHABLE DECISIONS SHOULD BE TAKEN FOR PHARMA PACKAGING

- What is the definition of an extractable/leachable?
- Decision trends for generic vs. brand-name drugs
- What information should be requested from vendors?
- Reviewing regulatory landscape/guidance available
- How ARL-EuTech can help

<sup>™</sup> View More

3:30 pm - 4:50 pm EST

## HAPPY HOUR, NETWORKING AND PRE-ARRANGED 1-2-1 MEETINGS

4:55 pm - 5:30 pm EST

#### **SESSIONS**

#### **EXTERNAL MANUFACTURING**

#### FIRELLI ALONSO, PH.D.

Senior Director, External Supply, BioTherapeutics and Vaccines Outsourcing Pfizer

#### REVIEWING BEST PRACTICES FOR PRE-QUALIFYING AND EXECUTING A PARTNERSHIP WITH A CMO

- Guiding principles for externalization
- Weighing make vs. buy options
- How to eliminate peaks and valleys of resource demands
- Ensuring maximum flexibility and adaptability in your partnerships
- Preparing for rapid scale-up and hand-off to a commercial organization
- Maintaining alignment between partners to ensure a seamless transition in the future

<sup>ыы</sup> View More

# EXTERNAL QUALITY

#### NANNA ANDERSEN

Principal, QP, External Manufacturing and Supplier Quality, LEO Pharma

# HOW TO ASSURE QUALITY WHEN ENGAGING IN EXTERNAL PARTNERSHIPS

- Understanding the complexity of ensuring supplier quality in today's supply chains
- Identifying what approaches can be taken to ensure quality when working with an external manufacturer
- Discussing the cost of quality assurance vs. future costs of rectification
- Implementing change in the manufacturing process to ensure quality levels
- Making smart infrastructure investment decisions
- Best practices for inspections and audits
- Seeing quality as the responsibility of everyone to ensure a good partnership

<sup>™</sup> View More

#### **EXTERNAL SUPPLY**

#### ADRIANA SARDELLA

Associate Director, Global External Supply Operations

Apotex

# KEY ELEMENTS OF A SUCCESSFUL TECHNOLOGY TRANSFER TO A CMO AND CPO

- Discussing project management strategies for effective and successful tech transfers
- Why technical due diligence is key
- Setting out cost and scope to determine the path forward
- Enabling a core team to support and implement projects
- Managing the product lifecycle after the transfer
- Conducting reviews to strengthen partnerships

<sup>™</sup> View More

available: 🗪 Video

#### PANEL DISCUSSION

#### LUIZ ALBERTO BARBERINI

Head, External Manufacturing, Latin America Bayer

#### JAY HALL

Director, External Manufacturing Operations Novavax

#### VILDAN KORTAN

Head and Senior Director, External Analytical Strategy Bristol Myers Squibb

#### FIRELLI ALONSO, PH.D.

Senior Director, External Supply, BioTherapeutics and Vaccines Outsourcing *Pfizer* 

# MERCK

#### LUCKNER ULYSSE, PH.D.

Director, Plant Management, External Manufacturing Operations *Merck* 

#### GLENN KILLINGWORTH

VP, Business Development US East Raffles PharmaTech

#### **OUTSOURCING SUCCESS IN THE POST-PANDEMIC ERA**

- How has the COVID-19 pandemic radically reshaped the world of outsourcing?
- Ushering in new customer demands and expectations from CMOs/CDMOs
- Best practices that outsourcing companies will need to adapt
- Surviving and thriving in this new landscape
- Weighing outsource vs. in-house manufacturing decisions
- Securing critical raw materials amidst shipping delays and port congestion
- Cutting unnecessary costs and minimizing risks

6:15 pm - 6:30 pm EST

#### **CHAIR'S CLOSING REMARKS**

# EXTERNAL MANUFACTURING

#### CEDRIC DUBOIS

Head, Biologics External Manufacturing Sanofi

# EXTERNAL QUALITY FRANCIS DUMONT

Senior Director, External Drug Product Supply Strategy

### **EXTERNAL SUPPLY**

#### KRIS HALL

Procurement Lead, External Supply Operations Americas *Novartis* 

6:30 pm - 7:30 pm EST

#### **NETWORKING DRINKS RECEPTION**

# PROGRAM · DAY 2

**SEPTEMBER 21, 2022** 

#### **EMPOWER HOUR**

#### SIÂN JONES-MACPHAIL

Director, Contract Development and Manufacturing Amgen

#### LORI HIRSCH

VP, Regulatory Compliance and External Engagement Bristol Myers Squibb

#### **APOTEX**

#### ADRIANA SARDELLA

Associate Director, Global External Supply Operations

#### MARIA AVOUJAGELI

Head, External Quality, Americas GSK

#### B A BAYER E R

#### KARIN ANN PAYNE

VP, Quality Assurance Bayer

#### LORI CANZANESE

Executive Director, Manufacturing IT Data and Analytics, and External Manufacturing Merck

#### **WOMEN IN LEADERSHIP ROUNDTABLE**

- What's one leadership lesson you've learned in your career?
- What has been the most significant barrier in your career as a leader?
- How do you and your organization empower the next generation of skilled professionals?
- What is the best piece of advice you've received from leadership?
- What advice would you give to the next generation of leaders?

7:00 am - 8:00 am EST

## **BREAKFAST BRIEF**

#### SRINIVASA REDDY EMANI

AVP, Business Development, Contract Development and Manufacturing Services Laurus Synthesis

### COMBINING CUTTING-EDGE SCIENCE AND SCALE TO SUPPORT DRUG DEVELOPMENT AND MANUFACTURING PROGRAMS

8:00 am - 8:10 am EST

sanofi

### **CHAIR'S WELCOME AND OPENING REMARKS**

# **EXTERNAL MANUFACTURING**

#### CEDRIC DUBOIS

Head, Biologics External Manufacturing

**EXTERNAL QUALITY** 

#### FRANCIS DUMONT

Senior Director, External Drug Product Supply Strategy *Pfizer* 

#### **EXTERNAL SUPPLY**

#### KRIS HALL

Procurement Lead, External Supply Operations Americas *Novartis* 

### **FIRESIDE CHAT**

#### THOMAS HOLMES

Chief Technology Operations Officer *Amylyx Pharmaceuticals* 

ANDREA CORONA

Senior Editor
Pharma Manufacturing

#### CREATING AN EFFICIENT AND EFFECTIVE GLOBAL MANUFACTURING NETWORK

- What have you learned about outsourcing success throughout your career?
- Tips for creating an efficient and effective global manufacturing network
- Selecting external partners where it makes the most sense
- Techniques for driving key supply contracting decisions
- Aligning operations with development plans
- Returning value to the organization through externalization

<sup>BB</sup> View More available: ■ Video

8:45 am - 9:20 am EST

#### **PLENARY**

**ample**Logic

MANNE V. CHOWDARY

CEO and Founder AmpleLogic

#### ACCELERATING DIGITAL TRANSFORMATION USING LOW CODE PLATFORM

- Why is organizational business complexity rising?
- Addressing the challenges of collecting data
- Benefiting on efficiencies from developing an instant application
- Closing gaps across your business processes

9:20 am - 9:55 am EST

## **FIRESIDE CHAT**

KARIN ANN PAYNE

VP, Quality Assurance

ANDREA CORONA

Senior Editor
Pharma Manufacturing

## ADVANCING QUALITY IN YOUR EXTERNAL MANUFACTURING OPERATIONS

- Exploring the historical role of quality and what's needed to be successful today
- Key considerations for mitigating quality risks
- Establishing more collaboration with quality and operations teams
- Increasing the connectivity of your partners to help improve quality oversight, cycle times and performance
- Achieving quality finished products from contract partners

10:05 am - 11:25 am EST

REFRESHMENTS, NETWORKING, AND PRE-ARRANGED 1-2-1 MEETINGS

#### PANEL DISCUSSION

#### VIMAL GANDHI

Head, Global Medical Affairs and Evidence Procurement AstraZeneca

#### FRANCIS DUMONT

Senior Director, External Drug Product Supply Strategy Pfizer

Bristol Myers Squibb

#### CHRISTOPHER MILANO

VP, External Manufacturing Quality Bristol Myers Squibb

## sanofi

#### INGRID MUELLER, PH.D.

Head, Global Procurement, External Manufacturing Consumer Healthcare Sanofi

#### GIL ROTH

Founder and President Pharma & Biopharma Outsourcing Association (PBOA)

#### STEVEN K. CRAY

Head, External Supply Management, API Oncology and External Supply Small Molecule

#### TAKING SUPPLIER COLLABORATION TO THE NEXT LEVEL: WHERE STRATEGIC SOURCING AND PROCUREMENT MEETS INNOVATION

- What are some of the key traits that should drive a modern sourcing strategy?
- Essential criteria to move from preferred supplier to trusted partner
- Examining the potential of digital capabilities and standardization of digital systems
- Using mutual corporate ideals to drive connectivity

12:05 pm - 12:35 pm EST

#### **WORKSHOPS**

#### **EXTERNAL MANUFACTURING**

#### GIL ROTH

Founder and President Pharma & Biopharma Outsourcing Association (PBOA)

# STATE OF THE INDUSTRY ADDRESS: THE CMO/CDMO LENS

- What current issues are impacting the bio/pharmaceutical manufacturing value chain?
- Examining the outsourcing outlook from the past three years: pre-pandemic, during and post-pandemic
- Helping customers, governments and academic partnerships, etc.
- Discussing the latest on the Generic Drug User Fee Amendments (GDUFA III) and other policy issues of importance to contract manufacturers

available: Video

#### **EXTERNAL SUPPLY**

JOHN BERMUDEZ VP, Product Marketing

TraceLink

#### KARL WALDMAN

General Manager, Agile Process Teams

#### FAST PATH TO SUPPLY MANAGEMENT DIGITALIZATION: ACCELERATING DIGITAL TRANSFORMATION WITH YOUR **CMOS/SUPPLIERS**

- Examining the requirements for digitalization to link systems, processes, people and enterprises into a collective information network
- Supporting intelligent business execution with Supply Chain Work Management
- Why improving visibility and collaboration in supplier management and external manufacturing requires true transformation
- Utilizing a digital network platform to enable data sharing with a network of CMOs and suppliers through a single link
- Enabling supplier management and external manufacturing teams to engage CMOs/suppliers through collaborative work management
- Improving supplier management operations with shared visibility to KPIs for executives, managers, and employees for internal and external teams

#### **SESSIONS**

#### **EXTERNAL MANUFACTURING**

#### REGENERON

#### JARNETTA DEANOVIC

Associate Director, External Manufacturing Regeneron

# BUILDING SUPERIOR PARTNERSHIPS WITH CMOS WHILE ENSURING AGILITY AND FLEXIBILITY

- How do you build strong relationships with external manufacturers?
- Having the right partner at the right time
- Identifying key factors for excellence that matter to your organization
- Optimizing the CMO selection and management process
- Maintaining a high service level across a broad portfolio
- Understanding best practices and applying them across your network

#### **EXTERNAL SUPPLY**

DEBORAH SOTO-ORTEGA, PH.D.

Director, External Supply Raw Materials

# ENSURING A SAFE AND ROBUST SUPPLY OF RAW MATERIALS

- How has the COVID-19 pandemic impacted the security of raw materials in the supply chain?
- Reviewing initiatives from Amgen on raw material resilience
- Strategies to secure a supply of APIs, raw materials, and excipients
- Prioritizing suppliers with a track record of regulatory compliance and uncompromising quality culture
- Benchmarking with industry peers: What can the industry do collectively?

1:05 pm - 2:05 pm EST

#### **LUNCH & LEARN ROUNDTABLE DISCUSSIONS**

Benefit from additional learning by joining a moderated roundtable discussion on pressing issues in the industry. Registration is required, and attendance is limited. Choose from:

#### NICOLE LEROUX

Senior Manager, Contract Manufacturing Amgen

#### NICK THERSIDIS

Global Director, External Supply Management *Apotex*
